NEW TO-DAY.

By the use of Hostetter's Stomach Bitters the haggard appearance of the countenance and sallowness of the complexion are supplanted by a healthier look, and the food is assimilated, the body acquires substance. Appetite is restored, and the nervous system refreshed with much needed stimulus, through the use of this medicine, which is also beneficial to persons of a rheumatic tendency, and an inestimable preventive of fever and ague.

What is more to be desired by a young lady than a beautiful clear complexion? She may have wealth, education and all the accomplishments which will fit her to be an ornament to society; but if she have a sallowness and her face be covered with pimples, it will avail but little. Let her remedy the cause of all this disfigurement by the use of Frese's Hamburg Tea, and our word for it she will soon find her beauty fully restored.

THE SUPREME BENCH.
ATLANTA, Sept. 23, 1884.—From experience I think S. S. S. is a very valuable remedy for cutaneous diseases, and at the same time an invigorating tonic.
JAMES JACKSON, Chief Justice of Ga.

AN AGED BAPTIST MINISTER.
TWO MORE IMPORTANT CASES.
Your agent being in Columbus, Ga., a few days ago, and meeting the venerable brother, J. H. Campbell, we asked him for the news. His reply was, I have two more important cures effected by Swift's Specific to report. This venerable man is known far and wide for his unremitting labors of love in the behalf of the poor of Columbus. It will be remembered that the Swift Specific Co. has donated quite an amount of their famous medicine, to be distributed by Mr. Campbell among the poor of the city; hence his remark. He said:
"I have just seen a lady who has been greatly annoyed by a Tetter in one of her hands. It had given her much trouble and pain. She said she had been treated by several physicians during the past three or four years with the old remedies, but without giving any relief. I suggested Swift's Specific, and she took four bottles and is now apparently perfectly well. Her hand is smooth and not a single sign of the disease left. It is marvelous how this medicine renovates the system."
"What about the other case?"
"Well, that was a lady also. She had been affected with the eczema for four years. Her face, hands and arms, as well as her body, was covered over with it, and she said it was one of the worst cases of this terrible disease that I have ever seen. The suffering of the poor creature was beyond expression. She tried every remedy at command, including mercury and iodine of potassium, but she only grew worse. She was in this condition when I first saw the case. I soon had her taking Swift's Specific, and she has now only taken two bottles, but every mark of the disease has almost entirely disappeared. Her strength and general health have greatly improved. It is one of the most remarkable cures that has come under my observation."
"Mr. Campbell, you have had a long and varied experience in mingling with men, and observing their afflictions and the remedies used—what is your opinion as to the merits of Swift's Specific?"
"In a ministry of sixty years I have mingled with every class of society, and have observed closely the variety of diseases which afflict humanity. Blood diseases are the most numerous and the most difficult to remove. It is my deliberate judgment that Swift's Specific is the grandest blood purifier ever discovered. There is nothing comparable to it. There is nothing too good to say about Swift's Specific."

"My wife!"
"Who?"
"Was a very pretty blonde!"
Twenty years ago, became
"Sallow!"
"Hollow-eyed!"
"Withered and aged!"
Before her time, from
"Malarial vapors, though she made no particular complaint, not being of the grumpy kind, yet caused me great uneasiness."

"A short time ago I purchased your remedy for one of the children, who had a very severe attack of biliousness, and it occurred to me that the remedy might help my wife, as I found that our little girl upon recovering had
"Lost!"
"Her sallowness, and looked as fresh as a new-blown daisy. Well, the story is soon told. My wife to-day has gained her old-time beauty with compound interest, and is now as handsome a matron (if I do say it myself) as can be found in this country, which is noted for pretty women. And I have only Hop Bitters to thank for it."
"The dear creature just looked over my shoulder and says, 'I can flatter equal to the days of our courtship,' and that reminds me there might be more pretty wives if my brother farmers would do as I have done."
Hoping you may long be spared to do good, I thankfully remain,
Most truly yours,
L. JAMES.
